

Special Terms and Conditions for DIY and Gardening Products

These Special Terms and Conditions define the rules applicable to the services developed specifically for the collection of certain waste or used DIY and Gardening Products. The collection services defined in the General Terms and Conditions of Collection also apply to the collection of Waste and/or Used DIY and Gardening Products.

Acceptance of the Special Terms and Conditions implies acceptance of the Ecomaison General Terms and Conditions of Collection.

1. Provision of appropriate Containers for in-store collection of Waste and/or Used DIY and Gardening Products:

When the User wishes to subscribe to this Service, it must:

- Be domiciled in mainland France;
- Have a space that guarantees the safety and the absence of damage both to the Container made available by Ecomaison and to the Waste or Used DIY and Gardening Products that it contains;
- Guarantee that only Waste or Used DIY and Gardening Products will be deposited in the collection container;
- Refrain, without the written agreement of Ecomaison, from transferring to third parties Waste or Used DIY and Gardening Products taken back by Ecomaison. This provision does not apply to the resale of second-hand products.

2. Designation of the Service

Ecomaison undertakes to provide, free of charge, two types of appropriate containers for in-store collection of Waste and/or Used DIY and Gardening Products:

1 - On the one hand, collection bins bearing the company's logo enabling the User to collect Toy Waste and/or Used DIY and Gardening Products in store;

2 - On the other hand, collection containers for Waste and/or Used DIY and Gardening Products collected in store.

The Containers ordered by the User are delivered within a maximum of 10 (ten) working days.

3. Commitments by the User

The User shall ensure that the Containers are used exclusively for the collection of Waste and/or Used DIY and Gardening Products. Any other use is prohibited.

If the User ceases to use the Service, it is obliged to make available to the Ecomaison Service Provider the unused stock of Containers received.

The User is responsible for storing the Containers in an enclosed, secure space, sheltered from bad weather.

In the event of loss or theft, Ecomaison reserves the right to invoice the User for the amount of the loss.

4. Ownership of Containers

Ownership of the Containers is transferred to the User when the User signs the delivery note.

The User may, if necessary, make reservations about the order on delivery.

Any complaint concerning the order must be made in writing within 8 days of receipt. It will be up to the User to provide any justification as to the reality of the anomalies observed.

5. Liability

Ecomaison cannot be held responsible for any damage resulting from the use of these Containers. The User is responsible for carrying out any operation to unpack the Containers.

The user, as owner of the Containers from the time of delivery of the order, is consequently responsible for the said Containers and takes out all necessary insurance policies.
