

Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products

Additional definitions

Accreditation for DIY and Gardening Products: This Accreditation is provided for in Articles L. 541-10-1-14° and R. 543-340 of the French Environmental Code as referred to in Appendix 2. It is awarded on a non-exclusive basis to companies fulfilling the legal criteria and Technical Specifications for Accreditation as defined by the Public Authorities.

DIY and Gardening Products: DIY AND GARDENING PRODUCTS as defined in Article R. 543-340 of the French Environmental Code (Appendix 2), of which a non-exhaustive list is given in Appendix 1.

Technical Specifications for Accreditation: the technical specifications of Accreditation defined in the ministerial decree regarding the Accreditation procedure and including technical specifications for eco-organisations in the DIY AND GARDENING PRODUCTS sector, in accordance with Articles L. 541-10-1-14° and R. 543-340 of the French Environmental Code.

Preamble and purpose

These Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products govern the relationship between Ecomaison and the Contracting Party with regard to the DIY and Gardening Products channel, for which Ecomaison holds an Accreditation.

The rules specific to DIY and Gardening Products contained in these Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products supplement the rules contained in the General Terms and Conditions of Membership, which together are applicable to the Parties under the Contract.

In the event of any discrepancy or contradiction between the Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products and the General Terms and Conditions of Membership, these Special Terms and Conditions of Membership for DIY and Gardening Products shall prevail over the General Terms and Conditions of Membership.

The Contracting Party acknowledges that it has read these Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products, including this preamble and its appendices, which form an integral part of the Contract, and accepts them as part of the agreement between the Parties.

Capitalised terms, if not specifically defined in these Channel-Specific Special Terms and Conditions of Membership for DIY and Gardening Products, refer to the terms as defined in the General Terms and Conditions of Membership.

1. Scope of Application for DIY AND GARDENING PRODUCTS

Pursuant to the provisions of Articles L. 541-10, L. 541-10-1-14° and R. 543-340 et seq. of the French Environmental Code, the Contract relates to DIY AND GARDENING PRODUCTS.

2. Ecomaison's commitment

Ecomaison will create all funds dedicated to financing repair, repurposing and reuse in accordance with all legal and regulatory provisions in force.

3. Basis and applicability of Eco-fees

The following are deducted from the basis of calculation of the Eco-fees payable: DIY AND GARDENING PRODUCTS exported by the Member or by a customer of the Member and which have been declared by one or the other to Ecomaison, in compliance with the Appendix. These Eco-fees shall be calculated using the Pricing Scale in force as of the date on which the fees were incurred. In order to preserve equity between the Members, the late payment penalties defined in Article 5.8.2 of the General Terms and Conditions of Membership may be applied to the Member. Under this same hypothesis, the Member must pay the Eco-fee due on backdated declarations, upon receipt of the corresponding invoices, which shall be immediately due and payable.

4. List of appendices
